State Farm General Counsel Joins WLF's Legal Policy Advisory Board

WASHINGTON, DC—Washington Legal Foundation (WLF) and the Chair of its Legal Policy Advisory Board, Jay B. Stephens, are pleased to announce that Keesha-Lu Mitra, Senior Vice President and General Counsel of State Farm Mutual Automobile Insurance Company, has been appointed to WLF's advisory board.

Keesha-Lu assumed her current position in 2024. She has overall responsibility for the Department, including the Corporate Law division which handles litigation and legislative and regulatory affairs, and provides legal counsel to the organization. She also manages the Claim Litigation Counsel division. Keesha-Lu has served in a variety of roles and sections within the Law Department, moving into leadership in 2016 and becoming Vice President – Counsel in 2020. She is a product of the Law Department's internship program, joining State Farm in 1989 upon graduating from law school.

“We are honored to have Keesha-Lu join our advisory board,” said WLF Executive Director Glenn G. Lammi. Insurers like State Farm play a vital role in our free-enterprise system. And like WLF, the company's leadership is especially committed to creating a fair and balanced civil-justice system, one that compensates actually injured parties instead of fueling social inflation. “We look forward to many years of her wise counsel,” Lammi added.

WLF's Legal Policy Advisory Board is a group of over 40 distinguished professionals from the business, legal, academic, and public-policy communities who serve on a volunteer basis.

Celebrating its 48th year, WLF is America's premier public-interest law firm and policy center advocating for free-market principles, limited government, individual liberty, and the rule of law.
